

Quick Start Guide: To Preparing Pupster's Meals

- Add Goat's Milk To Your Shopping List

RECIPE

Ingredients:

- 1 cup Science Diet Small Bite kibble
- 1 tbl. canned Science Diet (prescription) I/D¹
- 2 oz Goat's Milk

Directions:

- Mix the canned I/D with the goat's milk to form a gravy.
- Add gravy to puppy bites.
- Mix well.
- Heat to ~ 85 degrees (= warm/ but not hot to the touch)
⇒ ~ a few seconds in your microwave

Serve Immediately.

Meal Feed Three Meals² a day

¹ If you need a prescription for the I/D contact me at DrB@DrBLovesMyPet.com or at my office.

² Meal feeding dictates a period of 20 minutes in which pupster can eat as much as he wants. The food is then removed and NOT offered again until the next meal. *** Puppies eat 3 times a day ***
